COMMERCIAL LEASE
4714A West Lake Street

This Lease Agreement (this "Lease") is dated as of September 17th, 2021, by and between GP Opportunity Fund LLC ("Landlord"), and Brad Behmer ("Tenant") with Kenneth Mayle as a personal guarantor ("Guarantor"). The parties agree as follows:

1. PREMISES. Landlord, in consideration of the lease payments provided in this Lease, leases to Tenant 13,000 sqft industrial unit at 4714A W Lake St (the southern half of PIN 16-10-301-011) in Chicago, IL 60644 (the "Premises").

2. USE OF PREMISES. Tenant agrees that it shall use the Premises for business offices, storage of materials and equipment, and manufacturing of home decor and other artistic objects. Tenant represents and warrants that the foregoing use of the Premises is allowed by all applicable laws, codes and ordinances.

3. TERM. The lease term will begin on October 1st, 2021 and will terminate on September 31st, 2026.

4. LEASE PAYMENTS. Tenant shall pay Landlord lease payments of $7,150.00, payable in advance, on the first of each month. Lease payments shall be made to the Landlord at 1667 N Bissell St 3, Chicago, Illinois 60614.

A. PAYMENT OF MONTHLY RENT. During the term of this Lease and any extension therefor, Tenant agrees to pay Landlord on or before the 1st of each full calendar month during the term hereof. Rent for any period during the term which is less than one full month shall be a prorated portion of the monthly rent based on the total number of days in the month being prorated. Said rent shall be paid to the Landlord, without deduction or offset (except as otherwise provided herein or at law or in equity) and without notice or demand at the Landlord's address or to such person or at such address. The monthly rent shall commence on the commencement date of the term.

B. LATE FEES. Tenant recognizes that the late payment of monthly rent will result in administrative expense to Landlord, the extent of which additional expense is difficult and economically impractical to ascertain. Tenant therefore agrees that if the monthly rent has not been paid by the 5th day of the month, such unpaid amount shall be increased by a late charge in the amount of $100.

5. POSSESSION. Tenant shall be entitled to possession on the first day of the term of this Lease, and shall yield possession to the Landlord on the last day of the term of this Lease, unless otherwise agreed by both parties in writing. At the expiration of the term, Tenant shall remove its goods and effects and peaceably yield up the Premises to the Landlord in as good a condition as when delivered to Tenant, ordinary wear and tear excepted.

6. INSURANCE. During the term of the lease and extension thereof, Tenant agrees to maintain at its own expense liability and property insurance.

Such insurance shall insure Tenant and Landlord against any liability for property damage of at least $1,000,000. If the Tenant shall fail to procure and maintain said insurance, and such failure shall continue beyond all applicable notice and cure periods, the Landlord shall have the right, but shall not be required to procure and maintain the same, at the expense of the Tenant.

B. PROPERTY. Tenant shall procure and maintain property damage insurance covering loss or damage to Landlord's property located in the Premises, in the amount of full replacement value thereto, against all perils including within the classification of fire, extended coverage, vandalism, malicious mischief, and special extended perils (all risks).

C. CLAIMS. Tenant agrees that any claim against the Landlord for any loss, damage or injury to property which is covered by insurance carried by Tenant.

7. EXCLUSIVITY. Landlord shall not directly or indirectly, through any employee, agent, or otherwise, lease any space within the property (except the Premises herein described), or permit the use or occupancy of any such space whose primary business activity is in, or may result in, competition with the Tenants primary business activity. The Landlord hereby gives the Tenant the exclusive right to conduct their primary business activity on the property.

8. ALTERATIONS ADDITIONS AND IMPROVEMENTS. No alteration, addition or improvement to the demised premises shall be made by Tenant without the prior written consent of the Landlord, whose consent will not be unreasonably withheld or delayed. Any permanently affixed alteration, addition or improvement made by Tenant after such consent shall have been given, and any permanently affixed fixtures installed as part of thereof, shall at Landlord's option, become part of the real estate upon expiration or other sooner termination of this Lease. Landlord shall have the right, up thirty (30) days prior to written notice to Tenant but not later than the expiration or termination of the term, to require the Tenant to remove such fixtures at Tenant's cost and expense at termination of this Lease and restore the Premises to the condition prior to attachment and repair any damage. If Tenant fails to remove such fixture, restore the Premises to condition prior to attachment and repair any damage, Landlord may do so and Tenant shall be responsible for the cost thereof.

9. MAINTENANCE REPAIRS AND REPLACEMENTS. Tenant and Landlord shall share in the maintenance of the premises. However if it is found that any damage is caused by Tenant and such damage is not covered by insurance carried by Tenant, the Tenant will be responsible for all replacements or repairs.

A. TENANT. Tenant shall maintain repair or replace the interior space of the unit, including all plumbing fixtures, lighting fixtures, mezzanine furnace, mezzanine air conditioner, hot water heaters, wall surfaces, floors, garage door and any alterations, additions or improvements.

The security deposit shall be held by the Landlord as security for the faithful performance of the Lease of all terms, covenants and conditions. In the event of any default on part of the Tenant that continues beyond all applicable notice and cure periods, the Landlord shall have the right to apply such security deposit or any portion thereof to cure such default. In the event the security deposit is reduced by reason of such application, then within five (5) days after written notice to Tenant, Tenant shall deposit with the Landlord such amount as may be necessary to restore the security deposit to its original amount.

12. DEFAULTS. Tenant shall be in default of this Lease if Tenant fails to fulfill any lease obligation or term by which Tenant is bound. Subject to any governing provisions of law to the contrary, if Tenant fails to cure any financial obligation within 5 days (or any other obligation within 10 days) after written notice of such default is provided by Landlord to Tenant, Landlord may take possession of the Premises without further notice (to the extent permitted by law), and without prejudicing Landlord's rights to damages. In the alternative, Landlord may elect to cure any default and the cost of such action shall be added to Tenant's financial obligations under this Lease. Tenant shall pay all costs, damages, and expenses (including reasonable attorney fees and expenses) suffered by the Landlord by reason of Tenant's defaults. However, the Landlord does not assume any liability for the care or supervision of the Premises. As provided by law, in the case of an emergency, Landlord may enter the Premises without Tenant's consent. During the last three months of this Lease, or any extension of this Lease, Landlord shall be allowed to display the usual "To Let" signs and show the Premises to prospective tenants.

16. INDEMNITY REGARDING USE OF PREMISES. To the extent permitted by law, Tenant agrees to indemnify, hold harmless, and defend Landlord from and against any and all losses, claims, liabilities, and expenses, including reasonable attorney fees, if any, which Landlord may suffer or incur in connection with Tenant's possession, use or misuse of the Premises, except Landlord's act or negligence.

17. DANGEROUS MATERIALS. Tenant shall not keep or have on the Premises any article or thing of a dangerous, flammable, or explosive character that might substantially increase the danger of fire on the Premises, or that might be considered hazardous by a responsible insurance company, unless the prior written consent of Landlord is obtained and proof of adequate insurance protection is provided by Tenant to Landlord.

18. COMPLIANCE WITH REGULATIONS. Tenant shall promptly comply with all laws, ordinances, requirements and regulations of the federal, state, county, municipal and other authorities, and the fire insurance underwriters. However, Tenant shall not by this provision be required to make alterations to the exterior of the building or alterations of a structural nature.

Neither the Tenant nor anyone claiming through the Tenant shall have the right to file mechanics or materialmans liens or any other kind of lien on the Premises and the filing of this Lease constitutes notice that such liens are invalid. Further, Tenant agrees to (1) give actual advance notice to any contractors, subcontractors or suppliers of goods, labor, or services that such liens will not be valid, and (2) take whatever additional steps that are necessary in order to keep the premises free of all liens resulting from construction done by or for the Tenant.

20. DISPUTE RESOLUTION. The parties will attempt to resolve any dispute arising out of or relating to this Agreement through friendly negotiations amongst the parties. If the matter is not resolved by negotiation, the parties will resolve the dispute using the below Alternative Dispute Resolution (ADR) procedure. Any controversies or disputes arising out of or relating to this Agreement will be submitted to mediation in accordance with any statutory rules of mediation. If mediation does not successfully resolve the dispute, then the parties may proceed to seek an alternative form of resolution in accordance with any other rights and remedies afforded to them by law.

21. JURY WAIVER. In the event a dispute or litigation arises, the Tenant agrees to waive its rights to a trial by jury.

22. ASSIGNABILITY/SUBLETTING. Tenant may not assign or sublease any interest in the Premises, nor effect a change in the majority ownership of the Tenant (from the ownership existing at the inception of this lease), nor assign, mortgage or pledge this Lease, without the prior written consent of the Landlord, which shall not be unreasonably withheld.

AFFIRMATIVE DEFENSES

First Affirmative Defense -- Ratification

Plaintiff's claims are barred, in whole or in part, by the doctrine of ratification. Plaintiff ratified the actions of which they now complain. Plaintiff had knowledge of the material facts of the disputed transactions and took positions and engaged in actions that were inconsistent with non-affirmation of them. These acts of ratification include, but are not limited to, Plaintiffs consent, approval and/or failure to object to taking possession of the leased premises, continued use and occupancy of the space, and acquiescence to the conditions therein.

Second Affirmative Defense – Consent/Waiver/Estoppel/Acquiescence

Plaintiffs' claims are barred, in whole or in part, by the affirmative defenses of consent, waiver, acquiescence and/or estoppel. Plaintiffs consented, acquiesced, took positions and engaged in conduct ,which are inconsistent with the positions they now take, and/or failed to timely object to them. These acts include, but are not limited to, taking possession, continued occupancy and use of the leased premises, and taking action to resolve claims asserted by third parties. Defendant reasonably relied on Plaintiffs' consent, waiver, acquiescence and failure to object to these actions and would suffer unfair prejudice if Plaintiffs are now permitted to challenge them.

Third Affirmative Defense – Plaintiffs' Own Acts

Plaintiff's claims are barred, in whole or in part, on grounds that some or all of the damages claimed by Plaintiffs were brought about by reason of its own acts, actions or negligence, including, but not limited to, destruction and damage to the property caused by Plaintiffs own acts, negligence or intentional acts; improper use of the premises, illegal operation of a public

place of amusement, failure to provide Defendant with timely, accurate or complete information regarding the condition of the premises, and misrepresentation about the intended and continued use or occupancy of the premises, among other acts.

Fifth Affirmative Defense-Indemnification

Plaintiff's claims are barred, in whole or in part, on the grounds that they are subject to Section 16 of the Agreement, which provides for indemnification of Defendants for claims arising out of Plaintiffs' Possession, use, or misuse of the premises.
